LIMITAÇÕES E CONDIÇÕES:
(Limitations and Conditions:)

- I. The approval of this type design change should not be extended to other rotorcraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the relationship between this change and any of those other previously approved modifications, including changes in Type Design, will introduce no adverse effect upon the airworthiness of that rotorcraft.
- II. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
- III. Instructions for Continued Airworthiness (ICA), Helifab, Inc., Document No. HF-412-ICA-CARGO NET-01, Rev. A, dated 30 July 2010, or later FAA accepted revisions, are required for this installation.
- IV. For Brazilian registered aircraft the required Portuguese translated markings and placards must be installed in accordance with Document No. HF-412-FT-2550-0003, Rev. IR, dated 22 May 2012 or later approved revision.
- V. A copy of this Certificate and the attached ANAC Approved Model List (AML) for CST No. 2012S05-13 shall be maintained as part of the permanent records of the modified rotorcraft.
